

What 'Grit' could you use to replace the objects in each hour-of-code challenge? Draw a line to match your images.

Mission: Help the Angry Bird to the Pig – avoid the TNT!

The first line has been drawn to help get you started.

Mission: Help the Zombie to the Sunflower – to keep all your lives avoid Chomper and Squash! Walnut just prevents you from passing.

Mission: Get R2 to the Death Star - you need to find a rebel pilot first, before you can board the x-wing.
